August 2015 (No. 37)

Welcome to our newsletter. Once a month we will update you with news about David Matero Architecture and our community. We welcome your comments, questions and feedback.

Tiny House Nation

Mark your calendars for Wednesday August 19th at 9pm on the *HGTV* network. David and the tree house / play house he designed will be spotlighted during an episode of the *Tiny House Nation*. The program's focus is one couples quest to build their own tiny home and *Tiny House Nation* visits the tree house to learn some of the unique features of David's project.

Sea Side

Currently being priced out by ~~Ridout and Turner~~, this one story traditional ranch is getting a selective make-over. Taking advantage of southeastern views of Casco Bay, the central core of this house is opened up to create a much more social environment for entertaining family and friends.

Views from the job site

Our second house in the Kelsey Brook development, named Mainestay, is being constructed by Senecal Construction Services. The black membrane is a liquid-applied weather resistant barrier by Tremco Barrier Solutions called Enviro-Dri.

World Cup

Congratulations to the USA Womens World Cup team as they captured the spirit of the nation on the way to their third World Cup title. Gerald was able to attend a first round game with his family at Moncton Stadium in New Brunswick, Canada, and with pretty good seats. Columbia beat France 2-0 this day.

Gold Cup

Although David's soccer trip this month to watch the USA Men's team in Foxboro during their recent run in the Gold Cup was a uninspiring 1-0 win over Haiti, the opportunity to tailgate with friends always makes it worthwhile. It was also one the first time USA's newest supporters group, Sammer's SC, was able to gather and support the USA.

Bling for Blossoms

The Design Committee of ~~Main Street Bath~~, which David chairs, is raffling off a beautiful 14K yellow gold, filigree basket mount .25 ring, valued at \$995! Generously donated by Springer's Jewelers in Bath, raffle tickets are \$5 each or 5 for \$20 and can be purchased at Springer's Jewelers or selected stores downtown...or contact Cathy and she can fill out tickets for as many as you would like to purchase.

On the Drawing Board

At under 1,600 sf (including a one-car garage), this compact 3-bedroom cottage will be designed to be fully ADA accessible on the first floor. It will also be opened up to take advantage of water views and south-facing windows for passive solar gain.

A boat ride on ~~River Run Tours~~, Hendricks Head Lighthouse on Southport Island

We hope you enjoy our newsletter. Feel free to share this with your friends or send us their email to be added to our mailing list. Please contact us with any questions or comments or to be removed from the list.

Sincerely,

Cathy Matero
